

MEMORANDUM OF UNDERSTANDING
between
Board of Certified Safety Professionals
Indianapolis, IN 46268
USA
and
United States Army Combat Readiness Center
Ft. Rucker, Alabama
USA

Whereas the Board of Certified Safety Professionals (BCSP) performs services to certify individuals regarding their professional qualifications in safety and occupational health, represented by proponents and career program leadership at the United States and the United States Army Combat Readiness Center (USACRC) and across Army commands performs similar services in the United States military; and

Whereas the qualifications established by BCSP and USACRC for professional competency involve meeting educational and professional experience standards, passing certain examinations, and other requirements; and

Whereas the processes and standards used by BCSP and USACRC have many similarities:

It is agreed between BCSP and USACRC that individuals who have met the credentialing standards (including successfully passing examinations) of one body and remain in good standing with that body, and meet any recertification requirements will be recognized as having met the certification standards of the other body, when upon application, payment of fees, and meeting additional requirement detailed below, be awarded the credential Certified Safety Professional (CSP) by BCSP or Career Program-12 Professional Certificate in Safety and Occupational Health (CP-12 Certificate) by USACRC.

It is further agreed that USACRC will notify BCSP within 60 days of any changes made to the qualifications or requirements to be awarded the CP-12 Certificate.

To be awarded the CSP certification by BCSP, a person who holds the CP-12 Certificate from USACRC, and who meets the eligibility criteria of BCSP for the CSP will not be required to take the BCSP Associate Safety Professional (ASP) Examination, but must pass the BCSP Certified Safety Professional (CSP) Examination.

To be awarded the CP-12 Certificate by USACRC, a person who holds a CSP certification and who meets the eligibility criteria for the CP-12 Certificate will not have to complete CP-12 courses, but must fulfill all other requirements for obtaining the CP-12 including application, panel assessment, and evidence of leadership training.

This agreement becomes effective upon signature by representatives of both parties and will remain in effect until one or both parties give a 90-day written notice of intent to terminate or modify the agreement.

Linda F. Martin, MS, CSP, ASP, OHST, CHST, STSC
President
Board of Certified Safety Professionals

Dr. Brenda Miller, SMS
